Hundreds Gather for a Magical Evening in Hogansville

Community Bank & Trust's "An Evening with Alex Ramon Magic" Draws Enthusiastic Crowd and Supports Local Charity

Hogansville, GA – *An Evening with Alex Ramon Magic*, presented and produced by Community Bank & Trust (CB&T), the only community bank in the surrounding area, was a resounding success, drawing hundreds of attendees to the Royal Theatre on March 13th for a night of breathtaking illusions and community connection.

With a packed house, the event brought together CB&T customers, local dignitaries, and families from across the region to enjoy the world-renowned magic of Alex Ramon and the charm of MJ the Magic Doxy. The evening wasn't just about entertainment—it was also a celebration of community appreciation and giving back to those in need.

A Magical Experience for Hogansville Middle School Students

In addition to the evening performance, Alex Ramon brought his magic and message of inspiration to the students of Hogansville Middle School in a special assembly earlier in the day. The interactive show captivated students while emphasizing themes of perseverance, confidence, and the power of believing in oneself. Through illusions and storytelling, Ramon encouraged students to pursue their dreams and reminded them that "impossible" is just a word. CB&T was honored to sponsor this unique opportunity, further reinforcing its commitment to supporting local youth and education.

A Night to Remember

From the moment the doors opened, attendees were greeted with excitement and anticipation. The VIP section at the Grand Hotel provided an exclusive experience for special guests, featuring complimentary food and drinks, along with a private Meet & Greet with Alex Ramon and MJ after the show.

"We were thrilled to see such an incredible turnout," said Tiffany Pace, Branch Manager of Community Bank & Trust. "It was an unforgettable evening, not only because of the amazing performance but also because it reinforced the strong bond between our bank and the Hogansville community."

Alex Ramon, the star of the evening, also shared his enthusiasm for the event:

"Performing in Hogansville Georgia was truly special. The energy in the room was electric and seeing so many families and community members come together for a night of wonder was inspiring. Magic is all about bringing people together and thanks to my friends at Community Bank & Trust, we got to do just that. I can't wait to come back next year!"

Giving Back to the Community

Thanks to the overwhelming response, ticket sales from non-customers raised over \$500 for the Hogansville Charitable Trust, benefiting the *Share Program*, which helps local families with utility bill assistance. The event's charitable focus showcased CB&T's commitment to making a difference beyond banking.

"We are grateful to Community Bank & Trust for their generosity and for organizing such a fantastic event," said Toad Pike, Chairman of the Charitable Trust. "The funds raised will have a direct impact on those who need support right here in Hogansville."

Community Involvement & Support

The event was made possible through the collective efforts of CB&T employees, who volunteered their time to manage ticketing, greet guests and coordinate the VIP experience. The Royal Theatre staff also played a vital role in ensuring the seamless execution of the night, from handling concessions to managing Will Call.

Additionally, local businesses and organizations, including the City of Hogansville, Hogansville Middle School and Karvelas Pizza Co., helped spread the word about the event, reinforcing the power of community partnerships.

Continuing the Tradition

Following the success of *An Evening with Alex Ramon Magic*, CB&T is excited about the possibility of hosting more community-focused events in the future.

"We look forward to continuing our tradition of giving back and bringing people together," added Pace. "Whether it's through financial services or special events like this one, we are committed to serving Hogansville with dedication and heart."

Thank You!
