

FOR IMMEDIATE RELEASE

Community Bank & Trust Hosts Record-Breaking Easter Egg Hunt, Welcoming Over 2,500 Attendees

LaGrange, GA - March 30, 2026 - Community Bank & Trust proudly announces the overwhelming success of its annual Easter Egg Hunt, which delivered a record-setting turnout and an unforgettable day for families across the community.

This year's celebration welcomed more than 2,500 attendees, marking the largest crowd in the event's five-year history and further solidifying the Easter Egg Hunt as one of the region's premier family traditions.

The festivities kicked off with the highly anticipated 5K Fun Run, which drew more than 150 participants and set an energetic tone for the day. Runners of all ages joined in, reinforcing the event's focus on health, community, and family engagement.

Beyond the excitement of egg hunts, games, and entertainment, the event also made a meaningful impact through its partnership with the local Humane Society. Four dogs found their forever homes, highlighting the event's commitment not only to celebration, but also to community care and connection.

"This year's turnout and energy were truly incredible," said Jeremy Gilpin, Chairman of the Board at Community Bank & Trust. "Seeing thousands of families come together—kids enjoying the experience, runners participating, and animals finding loving homes—is exactly what community is all about. We are proud to host events that bring people together and create a lasting impact."

Attendees enjoyed a full day of activities, including a large-scale egg hunt, face painting, balloon animals, food trucks, cotton candy, popcorn, obstacle course entertainment, and interactive experiences led by Kane Bradfeld of Clockworks Performance Training—designed to create lasting memories for children and parents alike.

With record attendance, strong community participation, and meaningful outcomes, the 2026 Easter Egg Hunt stands as a milestone event for Community Bank & Trust and a testament to the strength and spirit of the community it serves.

About Community Bank & Trust

Community Bank & Trust is committed to serving as a true community partner, supporting local families, businesses, and initiatives that strengthen the communities it calls home. Through events like the Easter Egg Hunt, the bank continues to invest in experiences that bring people together and make a lasting difference.
